Bio

Kaylee brings a wealth of knowledge and an innovative approach to problem-solving within our legal team. With a background in legal studies and hands-on experience across multiple practice areas, she is well-equipped to support the smooth progression of client cases. Kaylee has a keen understanding of legal research, document drafting and case preparation, making her an integral contributor to our success.

Her experience spans several areas of law, including but not limited to corporate law and mediation. Kaylee has consistently demonstrated her ability to manage complex caseloads and deliver efficient support. Kaylee is detail-oriented and proactive, ensuring all documentation is thoroughly prepared and deadlines are met without delays. Her problem-solving skills and calm demeanour under pressure enhance our team's ability to achieve the best outcomes for clients facing legal challenges within construction projects.

In addition to her legal expertise, Kaylee is a strong advocate for client communication, ensuring clients feel informed and comfortable at every stage of the legal process. Her dedication to accuracy and her passion for the law make her a fantastic addition to our firm.

Kaylee holds a 2:1 LLB (Hons) degree from Canterbury Christ Church University and a Certificate of Mediator Competence in Civil and Commercial Mediation. She is currently studying with BPP University, undertaking the Solicitors Qualifying Examination (SQE1 and SQE2) and working towards qualification as a Solicitor of England and Wales. Her ongoing professional development reflects her commitment to delivering high-quality legal support and advancing her expertise within the legal profession.
