### Bio

Michael Gallucci is a seasoned construction professional and Founder and Managing Director of MPG, a position he has held for over 27 years. His expertise lies in Mechanical & Electrical Quantity Surveying, commercial management, and dispute resolution. Under his leadership, MPG has become a recognised provider of Expert Witness Services, Quantity Surveying, Project Planning, Business Development, Adjudication Advocacy, and Dispute Resolution services across the UK, Mainland Europe, and the Middle East.

Throughout his career, Michael has advised clients on a wide range of construction, infrastructure, MEP, and mission-critical projects, including major data centre developments. He has extensive experience providing quantity surveying, commercial management, contract administration, expert services, and dispute resolution support on large-scale data centre and critical infrastructure facilities both within the UK and internationally. He has also appeared as an Expert Witness in the English and Welsh Courts and before the Dubai International Arbitration Centre (DIAC).

Michael is recognised as an accomplished Chartered Quantity Surveyor and Quantum Expert Witness with a broad skill set encompassing tender negotiations, contract placement, interim valuations, cost advice, valuation and agreement of accounts, loss and expense claims, final account negotiation, and defect resolution. He is currently acting as Quantum Expert on numerous residential property disputes while leading MPG's dispute resolution team and expert services offering.
